Christian Maturity

... is a process of development beginning with the spiritual birth of the soul at Baptism and culminating only in heaven. Maturity for the Christian is, in a word, the perfection of his God-given spiritual, intellectual, social and physical capabilities.

While this growth toward Christian maturity is a life-long task, nowhere does it become more obvious or more important than during the transitional years from childhood to adulthood. Thus, the high school student lays for himself much of the foundation upon which he will erect both his temporal and eternal future.

As students of Saint Joseph High School our growth toward Christian maturity seems assured . . .

for as Vikings we have . . . a varied and rich curricular and co-curricular program . . . a well-rounded schedule of spiritual activities . . . a competent and interested guidance department . . . modern classrooms and well-equipped labs . . . complete athletic facilities . . . and most important, a devoted and trained faculty of religious and lay educators to help us continuously in our Christian growth.

Brother Vincent Anthony Mary Apaolaza Y Velez De Mendizabal, S.M.

Dedication

Brother Vincent Apaolaza celebrated this year his twenty-fifth anniversary as a Marianist. Born in Victoria, Spain, Brother Vincent professed his first vows in the Society of Mary on July 10, 1934, and consecrated himself perpetually to the service of Mary seven years later.

Following eleven year of teaching in Argentina, Brother was transferred to the Miguel Prado Institute of Humanities in Santiago, Chile, where he was placed in charge of a group of instructors in Catholic Action. In 1958 Brother Vincent was chosen to be an exchange teacher with the Cincinnati Province of the Society of Mary and was assigned to our school.

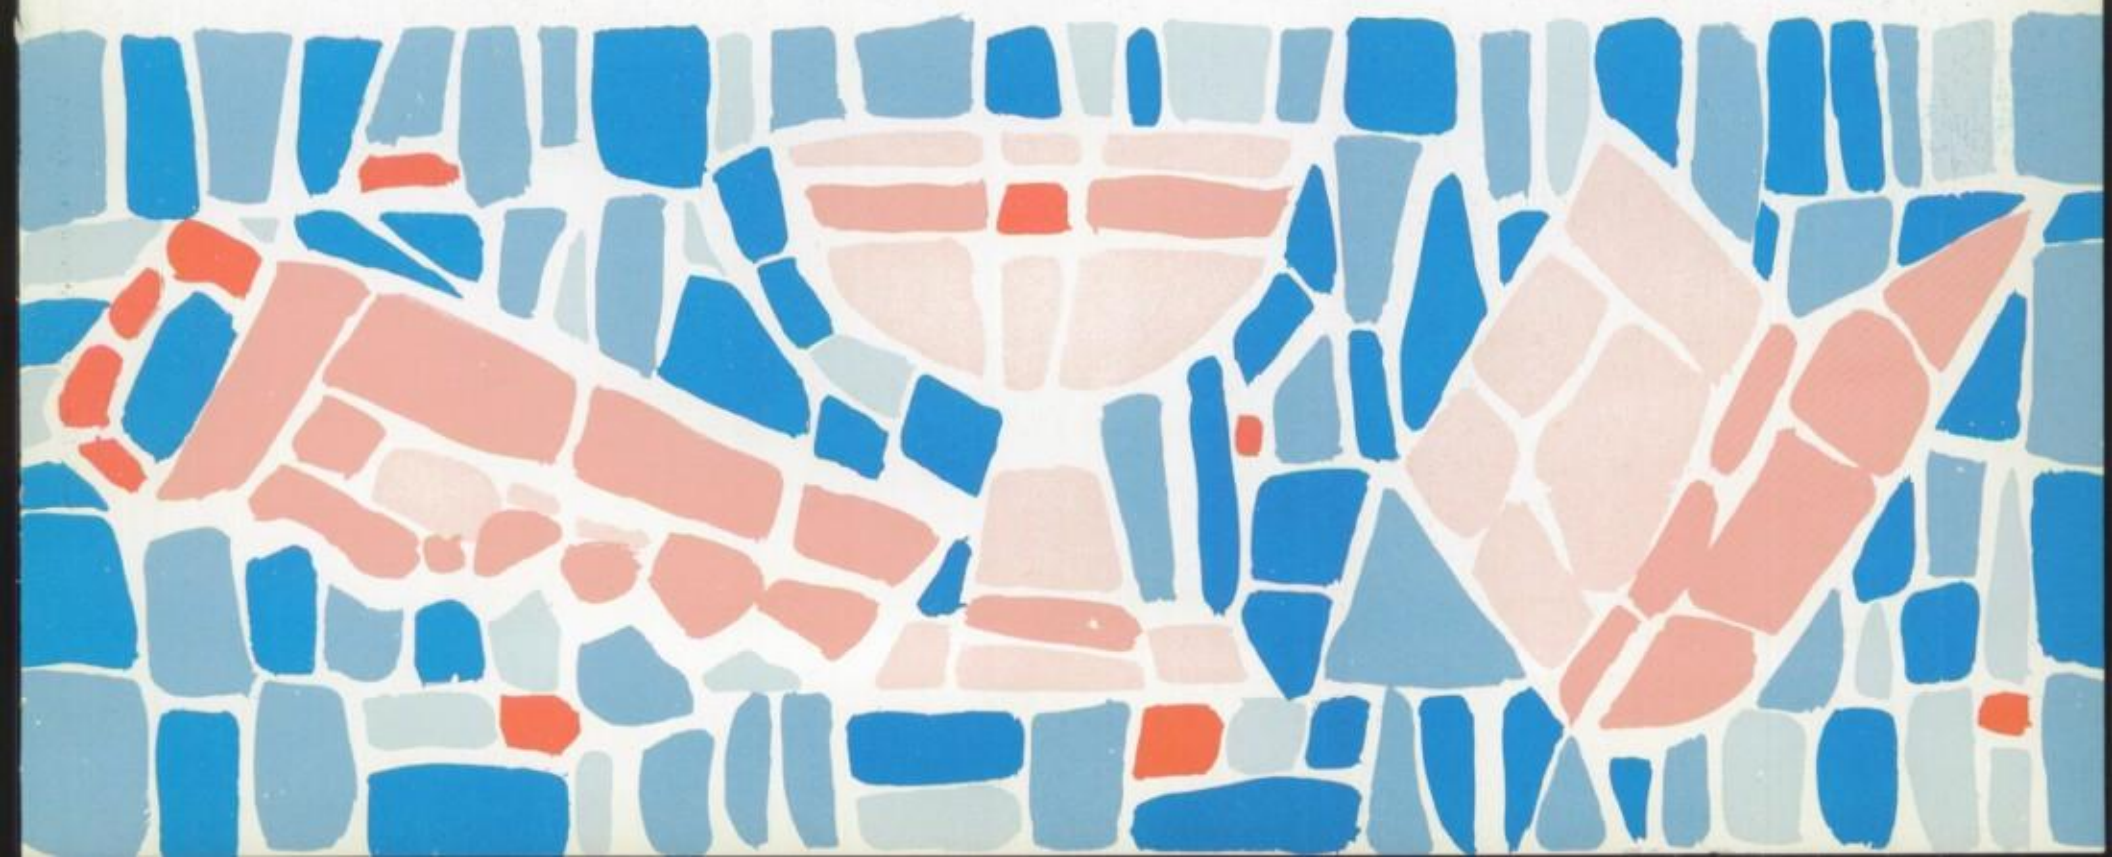

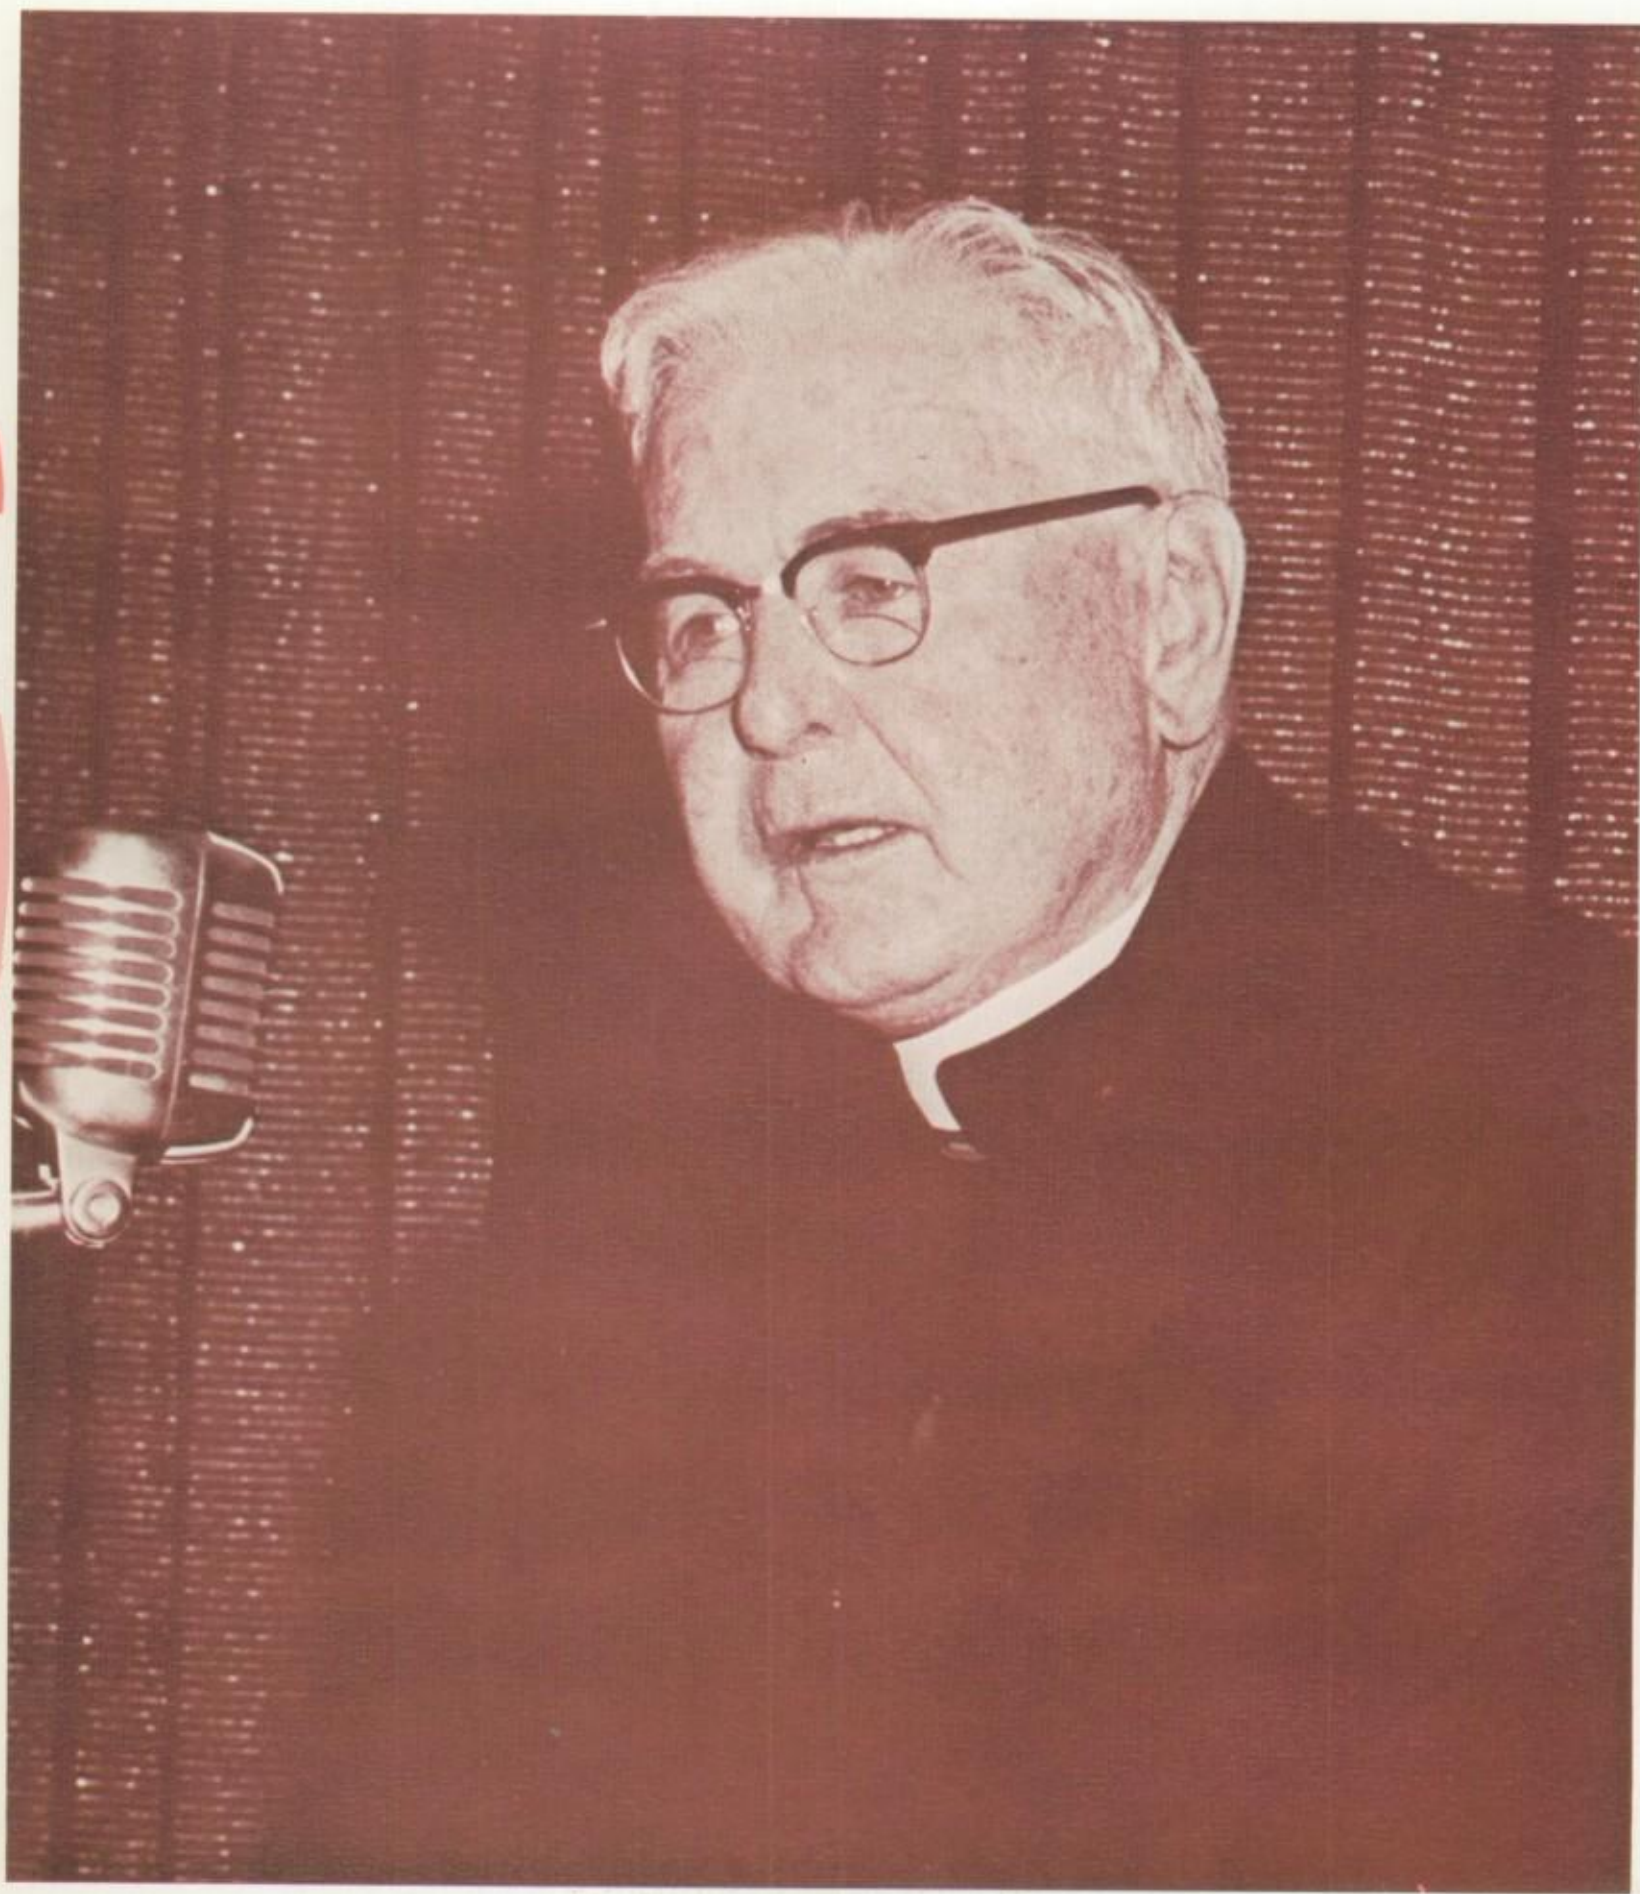

Brother Vincent chats with one of his Spanish scholars, Bob Kubea.

The 1960 Viking dedicates its pages to Brother Vincent Apaolaza, S.M., on the occasion of his twenty-fifth anniversary as a Marianist. It salutes as well all those Vikings who have left the halls of St. Joseph's to follow Christ in the priestly and religious life.

THE MOST REVEREND EDWARD F. HOBAN, S.T.D., Ph.D., L.L.D.

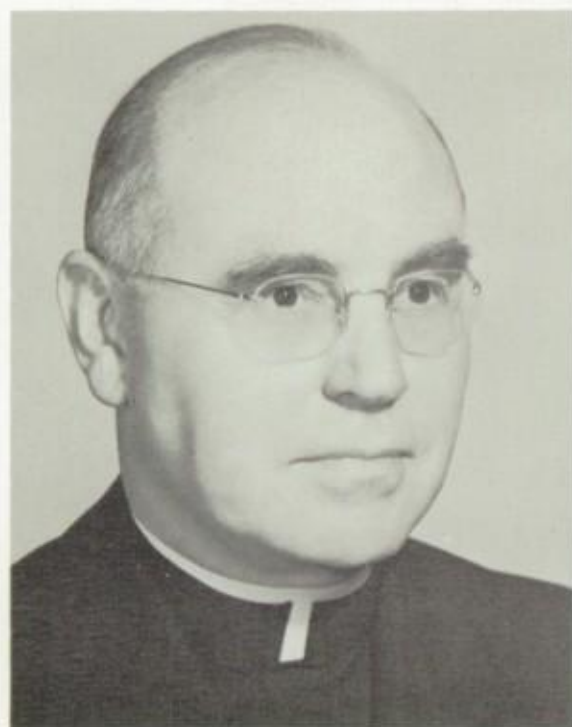

While serving the faithful of the diocese for the past fourteen years, Archbishop Hoban has labored continuously for the advancement of Christian education. The beautiful home of the Vikings, completed in 1952, is but one example of our Archbishop's solicitude for meeting the needs of our diocese's growing school population.

*Provincial Supervisor of the
Society of Mary*

Our new principal, Brother Stanley G. Mathews, S.M., comes to Saint Joseph from Dayton, Ohio, where he served as Head Librarian of the Marian Library, an international center for writings about Our Blessed Mother, situated on the University of Dayton campus. Brother Stanley has taught in high school and in college, is a contributing editor to the *Marianist Magazine* and has edited two important source books on writings about Our Lady.

Dear Graduates of 1960:

The history of your senior year has also been the history of the close of the first decade of St. Joseph High School. As a class, you have made excellent use of the exceptional opportunities offered to you at this school—opportunities for physical, intellectual, social and spiritual growth.

Each one of you, however, must decide for himself whether he now can characterize his four years here as successful. In coming to a decision, let these three questions guide you:

- *Are you convinced that you, personally, have a God-given mission in life, a mission which you alone can fulfill?
- *Have you developed a solid, manly, and apostolic devotion to the Blessed Virgin?
- *Have you reached a point in your mental development where you are serious about your continued intellectual progress?

If you can answer these questions in the affirmative, you may sincerely believe that your high school days have been successful. God bless you, and Mary keep you always, and may you ever remain "loyal and true" to your Viking Code.

A Message From

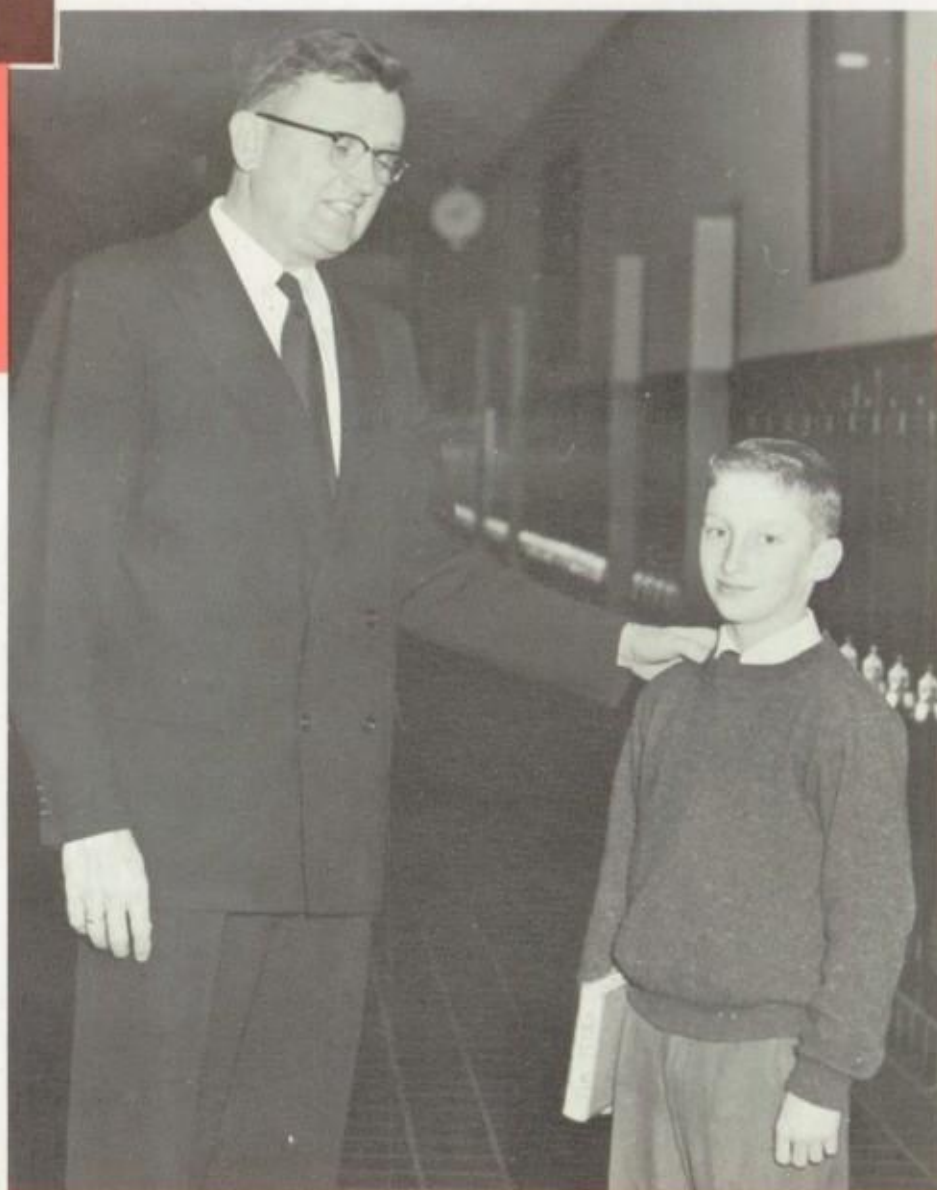

Our Principal

Assistant Principal

BROTHER LAWRENCE J. EVESLAGE, S.M., M.S. in Ed.

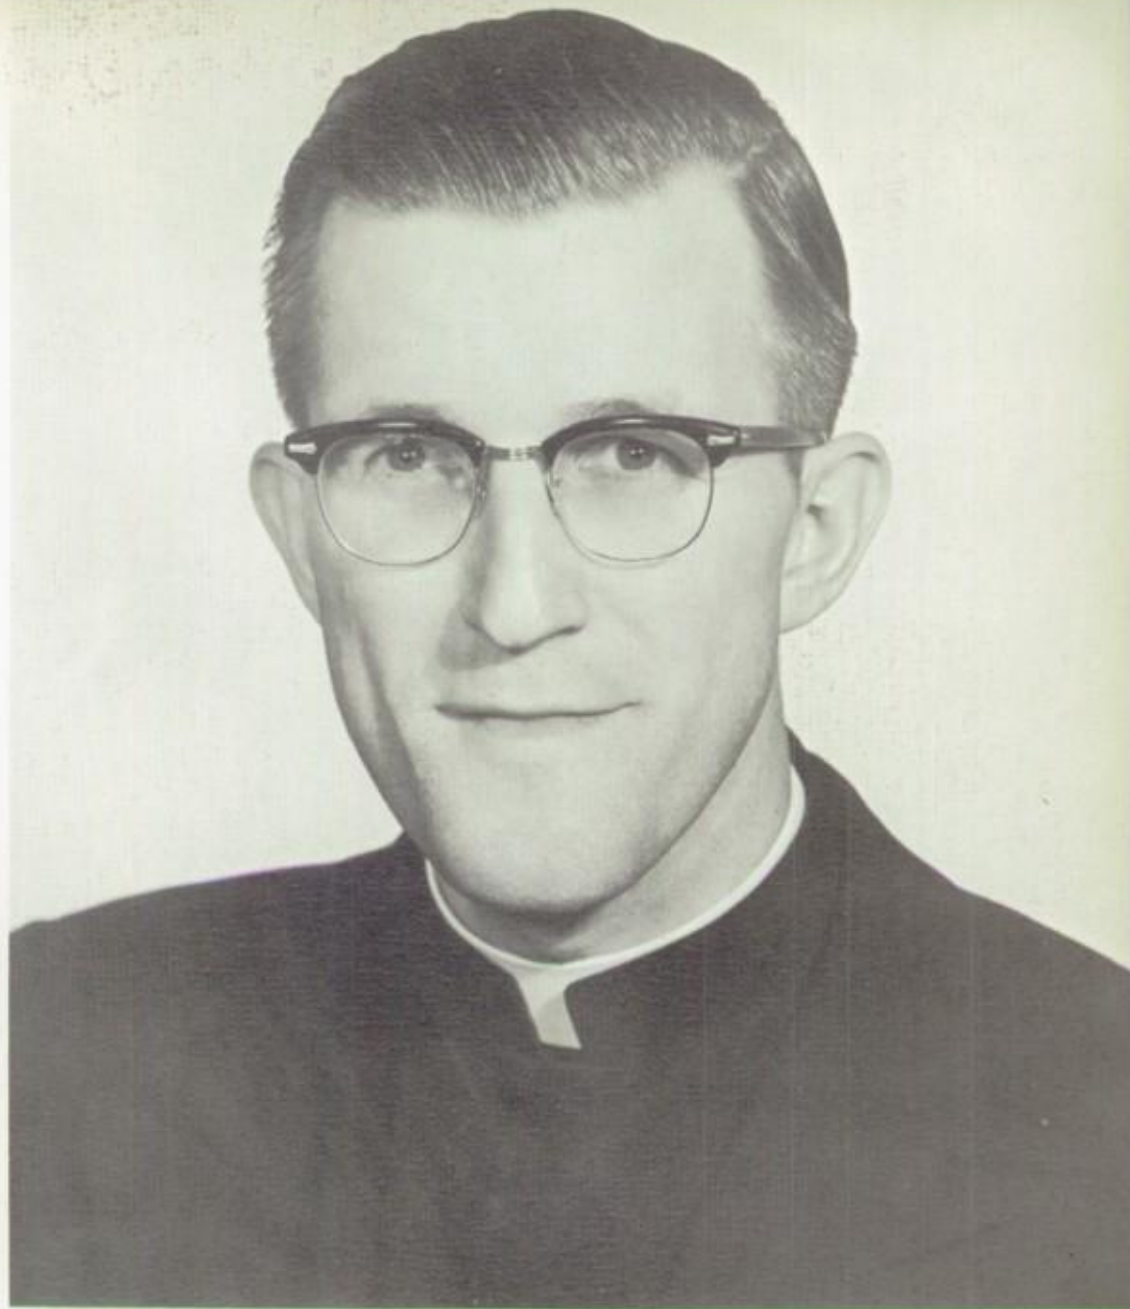

"Cheer up, Tim, I was small too when I was in high school."

Last September Brother Lawrence Eveslage assumed the challenging and often delicate task of meeting out justice and mercy to a student body of over 1550 boys. As Assistant Principal, Brother Larry each week reads scores of explanations for absences, hears dramatic and often original reasons for tardiness and judges the validity of the "accused's" version for demerit slips. To be firm, fair and fatherly to so many boys is no small task but one to which Brother Eveslage very ably brings his 6'4" stature and 16 years of experience at a similar post in Cincinnati, Ohio. Besides his position as Assistant Principal, Brother Larry also teaches a lucid course in trigonometry and even finds time to tune in far-flung short wave stations and wield a better than average tennis racket.

BRO. HERMAN J. THANER, S.M., our efficient Treasurer.

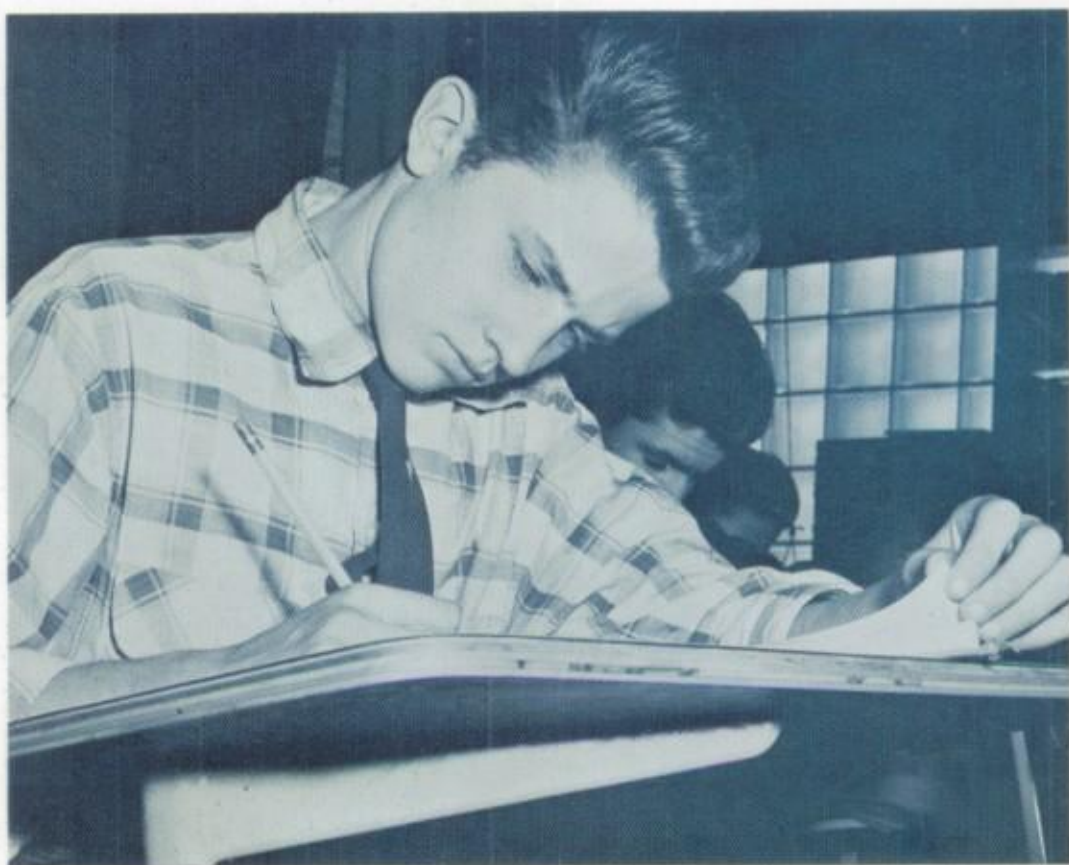

REV. ELDON G. REICHERT, S.M., our devoted Chaplain.

MRS. MARY TURK, our understanding Nurse.

INTELLECTUAL GROWTH

Form strong men, capable of diffusing good all around them and of leading others with clarity of principles. Our times require that the minds of the pupils be directed to a more effective sense of justice, ridding them of that innate tendency to regard themselves as a privileged caste, fearing and shunning the life of labor. Let them feel themselves, and be, workers today in the constant fulfillment of their scholastic duties, just as tomorrow they will be workers in the directive posts of society.

—POPE PIUS XII

Bro. Eichner and Fr. Reichert check the Guidance Department files. An individual record of each student's curricular and extracurricular achievements is kept.

GUIDANCE DEPARTMENT

Our growth towards Christian maturity is aided considerably by our Guidance Department. The department, under the direction of Fr. Eldon Reichert, S.M., has been organized to assist each Viking in his spiritual, educational, and vocational development. Through its thorough testing program which includes seven educational and vocational tests, two scholarship tests and state examinations in key subjects, the department is able to help each student make a wise selection of courses for his high school career as well as guide each in his choice of educational training after graduation. Educational and non-educational problems are handled by Fr. Reichert and four divisional counselors: Bro. Carroll Wentker, S.M. (Senior), Bro. Philip Eichner, S.M. (Junior), Bro. Patrick Hance, S.M. (Sophomore), and Bro. James Mallin, S.M. (Freshman).

RELIGION

Growth towards Christian Maturity is possible only for those who have been formed in a sound knowledge of and a profound appreciation for the truths of Faith. Thus, the heart of St. Joseph's curriculum is the four-year study of religion. The well-planned *Quest for Happiness* series provides the basis for the program. This year the department began a series of bulletins that provided information and interesting explanations of religious topics that ranged from views of the current liturgical season to the prayer life of the Christian student.

Murphy, Bro. Andrews and Lackner spot references during a Mariological discussion in Sophomore Religion.

ART

Through its thoroughly equipped Art Department, St. Joseph's is able to provide a four-year art program of exploration and discovery in the fields of design, painting, ceramics and commercial art techniques. School displays as well as awards won in local and national art contests attest to the talents of those Vikings who enroll in the art program.

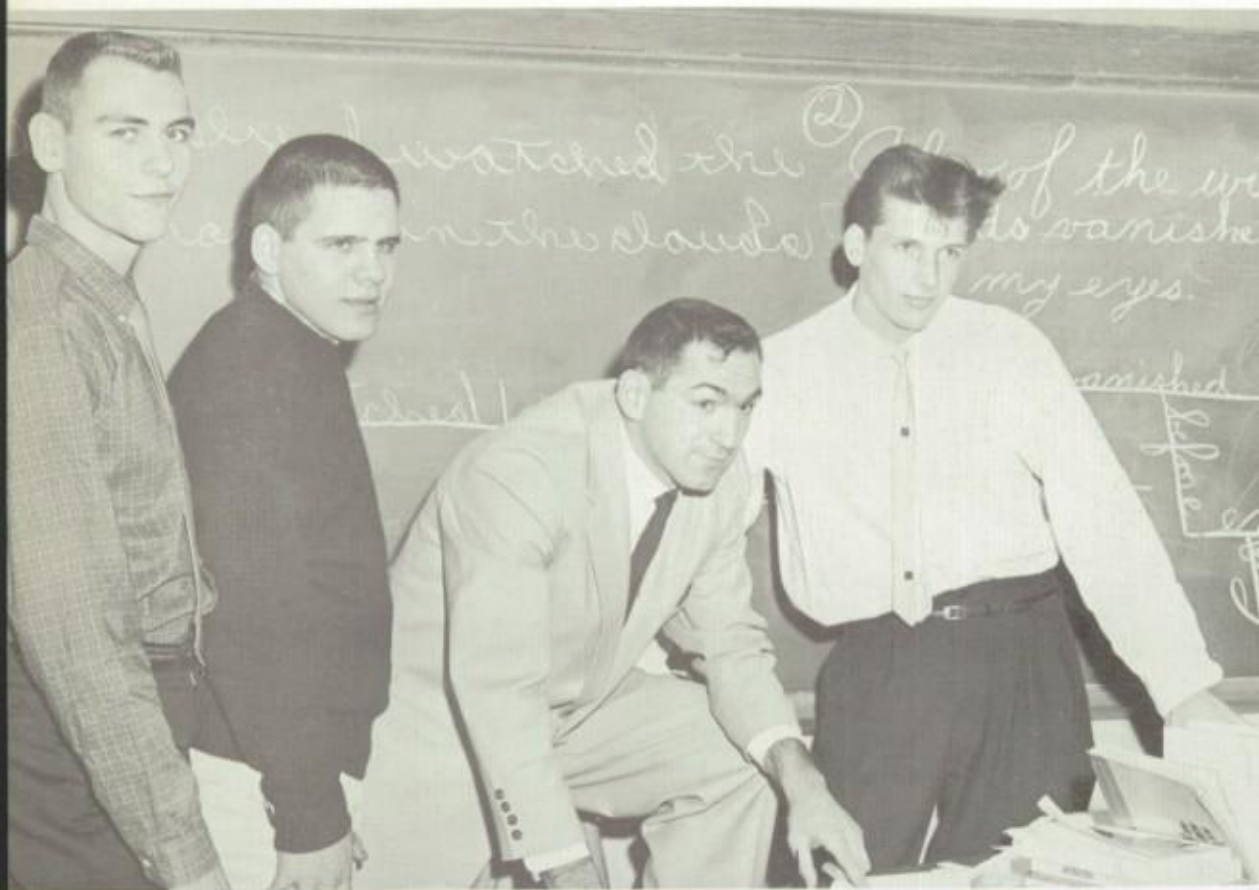

Soppitt steps back to admire his work while Jevnikar, Vaughn, Izzi, Pressello, and Loparo keep busy in Art II.

BUSINESS

The Business Department of St. Joseph's provides the experienced instruction in business methods and skills that plays a vital role in preparing efficient personnel for the world of commerce. The department's three-year program offers nine courses which include Typing, General Business, Business Management, Bookkeeping and Business Law. The Christian insight into problems of labor and management are explained in the courses in Economics.

Bro. Hillen supervises the finger work of Kezenheimer, Kondrat, Steigerwald, and Kunchik.

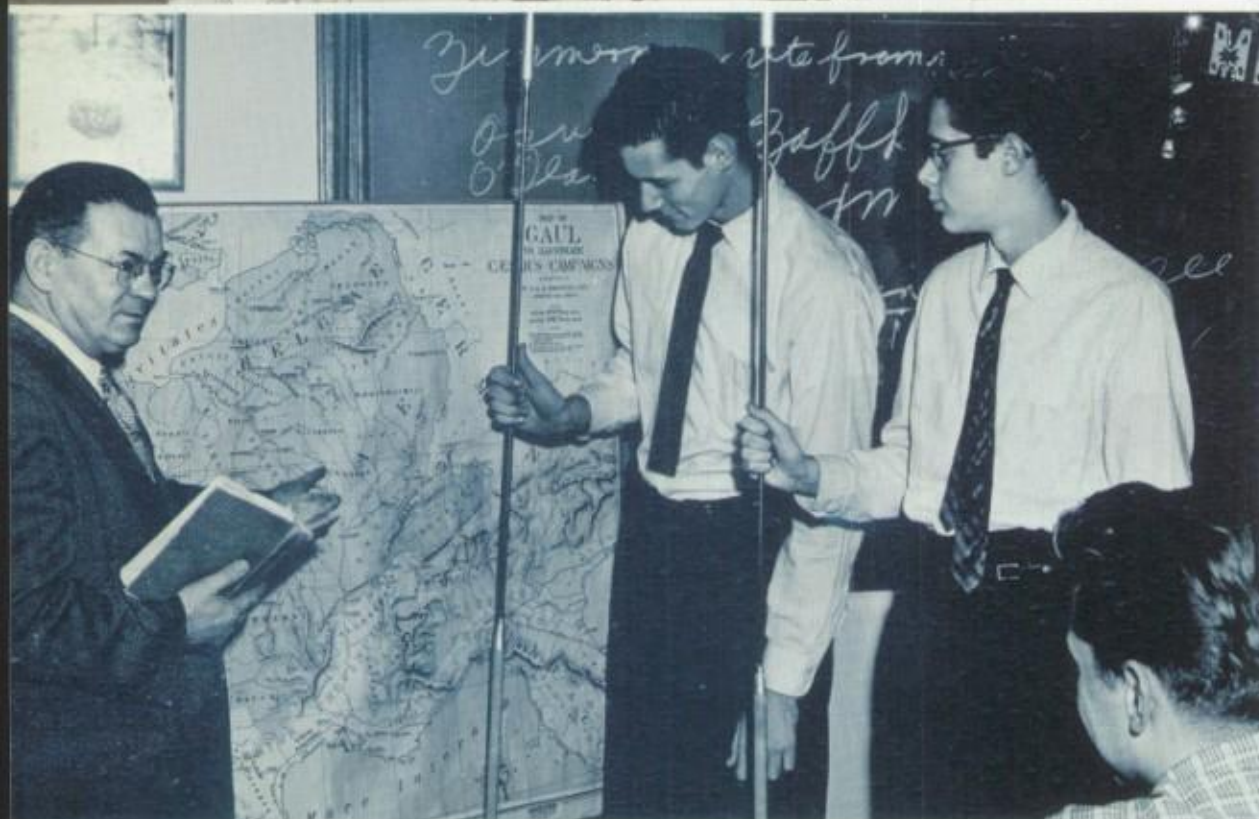

ENGLISH

This year the English Department introduced a new method of teaching English. Using "Strive for Growth" as its theme, the department's program emphasized a study of core books and their use, in turn, in the student's creative writing. The program, although only a year old, already has shown itself a workable and practical tool for the study of the classics and for developing creative writing.

Pongonis, Maglicic, Mr. Oliverio and Sebenik pause to watch a dangling participle float by in English III.

LANGUAGES

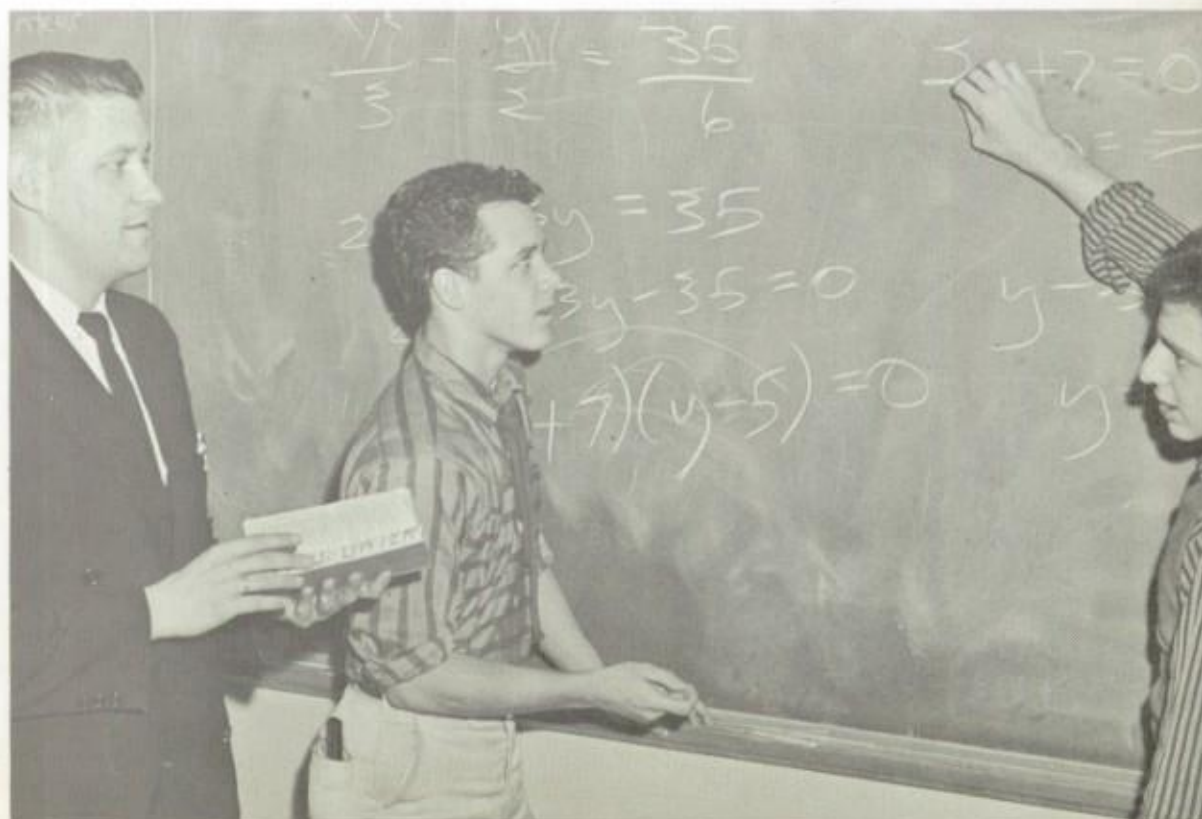

A corps of ten language instructors convey the beauty of other tongues and other cultures through the foreign language courses. The study of Latin, German, French, and Spanish provide the interested student with a usable knowledge of a second language as well as an opportunity for cultural growth.

Magister Kirchendorfer explicat tactica militaria fortis Caesaris militibus Pekol et Pugher.

MATHEMATICS

The study of mathematics furthers logic in reasoning and exactness in expression and thus plays an important part in the development of the student's intellect. Mathematics, therefore, is an essential part of St. Joseph's curriculum. Each Viking is offered the types of mathematical training best suited to his aptitudes and vocational interests. Eight different math courses are offered by our Mathematics Department.

Loparo explains some elementary Algebra for benefit of Bro. Dwyer and Jonke.

SCIENCE

The aim of the Science Department is to widen the intellectual horizons of the student through the study of the physical sciences. By means of experimentation, observation and logical deduction, the intellect of the student is shown the finger of God in the wonders of the universe. The science curriculum includes biology, general science, and two different courses in physics and in chemistry.

Serious and sedate, chemists Greenwald and Campbell perfect their methods in chem lab experimentation.

SOCIAL STUDIES

The Social Studies Department through its courses in history, civics, and sociology endeavors to develop in the students a sound growth in the Catholic ethic. Through his knowledge of man's social and political history, the student of today prepares himself to be the Christian leader of tomorrow.

Bringman explains to McCormick why he has substantial proof that Utah is part of the United States.

TECHNICAL

The Technical Survey Course enables the student to prepare intelligently for a career in the trades. Offering courses in Woodworking, Automotives, Electricity and Mechanical Drawing, the program provides varied experiences in both theory and practice. The student gains a first-hand knowledge of each trade's requirements and learns how he can use his aptitudes in the trade of his choice.

SPIRITUAL GROWTH

Be holy youth: We mean a youth that is firm but humble, aware of its powerlessness to repel its enemies from within and without by its own strength alone; a youth, therefore, which prays each day and which ardently draws on the sources of supernatural life, which pours forth so abundantly from the Church of Christ.

—POPE PIUS XII

SPIRITUAL FORMATION

The school year opened officially with the Mass of the Holy Spirit celebrated in our auditorium on September 11.

Every true Viking realizes that with his physical growth there must be a certain spiritual development as well. He soon learns, too, that St. Joseph High offers many of the means necessary for nourishing this growth. A daily student's Mass at 7:55 in the school chapel and Confessions before and after class every day facilitates the regular reception

of the sacraments, a basic requirement for Christian growth. Religious assemblies and activities throughout the year keep alive the conviction that his education must mean more than intellectual development. Thus, throughout the scholastic year, each student is encouraged and given positive assistance in his growth in Christ.

The holy sacrifice of the Mass opened our school year in the auditorium last September.

Besides daily Mass and Holy Communion, Vikings have ample opportunities to receive other graces as well. LeMay receives the St. Blase blessing.

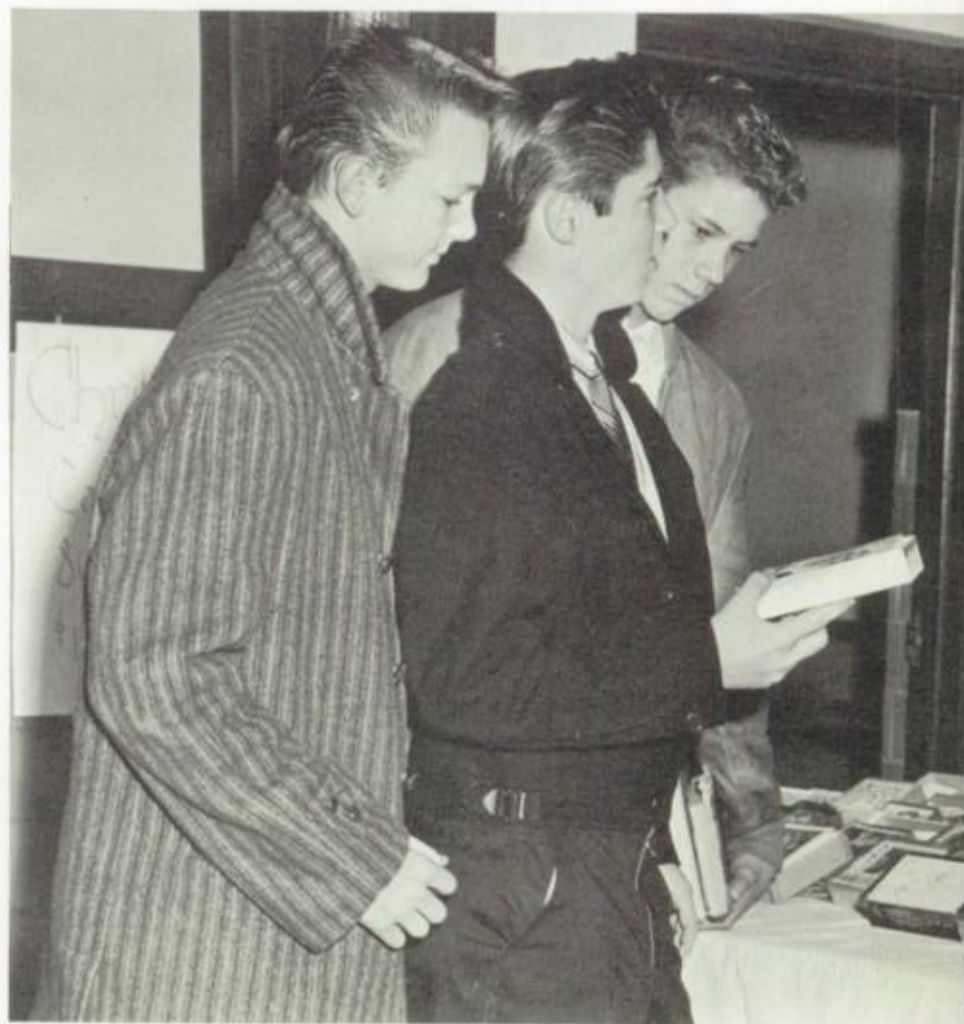

Christian zeal can show itself in many ways. During the year Vikings are asked to spread the "Good News" of Christ through enthusiastic participation in Catholic press drives. Here Freshmen Kristy, Kornfeind and Kowalski count up some proceeds from the *Marianist* drive.

SODALITY

The Sodality is a spiritual organization dedicated to Mary Immaculate which utilizes modern social action techniques in order to make of our school a perfect Marian Family. The sodalists work together as an apostolic group to promote Catholic Action and to exercise their Christian leadership. Prefect Len Burrello, Vice-prefect Don Modica, Secretary Ed Miller, and Treasurer Ron Sustar were the seniors who guided the efforts of their 130 fellow Sodalists during the past year. The officers met regularly with the Sodality Council—nine Sodalists representing all four divisions—to ensure the united efforts of the organization. Some of the Sodality-sponsored activities of the past year include the Rosary Rally, the Autumn Swirl Dance, a "Keep Christ in Christmas" greeting card sale, and a pamphlet-rosary rack. More important, however, were the weekly meetings at which each Sodalist learned of his responsibility as a Christian and a Viking through prayer, discussion and instruction.

During the first month of school, Len Burrello publicly pronounced his promises as St. Joseph's Sodality prefect.

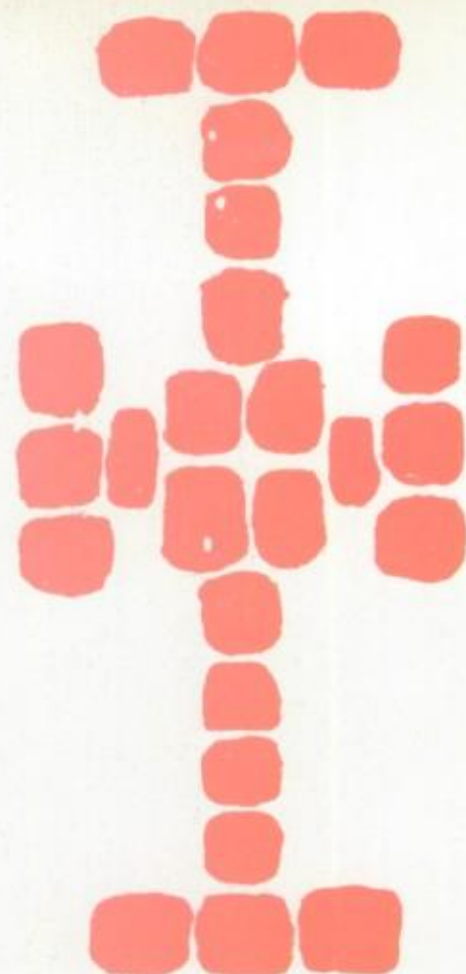

The weekly Sodality meeting plays an essential role in the formation of each Sodalist. At their regular Monday session, Bro. Boyle's Junior Sodalists listen to Brickman's report on his apostolic efforts.

"The Sodality is an association of the most outstanding children of Mary . . . who strive to honor their Mother first, in themselves, and then in all those with whom they have contact." — Fr. Chaminade

KNIGHTS OF THE ALTAR

The Knights of the Altar serve God and the school by assisting the priest at all liturgical functions provided by St. Joseph's for its student body. 31 Vikings from all divisions were given weekly appointments as servers in our chapel. Benediction in the auditorium, seasonal devotions like the 2:30 Rosary and Benediction during October and May were some of the assignments that the Knights also received. This year's officers were Joe Rogers, President; Robert Poje, Vice President; Phil Piro, Secretary; Rick Mishaga, Treasurer. Bro. Goubeaux was moderator.

The student sacristans are a quietly efficient group whose duties range from laying out vestments for daily Mass to waxing and buffing the chapel floor. The sacristans ably carried out their services under the direction of Bro. Dineen, S.M.

On October 7 the Rosary Rally opened with the entrance of the servers Piro, Rogers, and Kubea who formed the cross in the living rosary.

ROSARY RALLY

Typical of the religious assemblies that dotted our school calendar was the Rosary Rally held in our gym on October seventh. At a last period assembly on the Feast of the Most Holy Rosary, Senior Class officers joined class and school activity representatives to form a living rosary that encircled Our Lady's shrine centered on the gym floor. Each representative in turn led in the recitation of his bead in the five decades. The ceremony closed with Solemn Benediction of the Blessed Sacrament.

Circling the gym floor, the living rosary, composed of class and activity representatives, made an impressive symbol of the true Viking's love for his Mother and her "beads."

ANNUAL RETREATS

The high point of each student's spiritual formation at St. Joseph's is his annual student retreat. The Junior and Senior retreat was held between January 20 and 22; the Freshman and Sophomore retreat took place on January 25 to 27. Under the spiritual guidance of Marianist Fathers Charles Rossman and Norbert Burns respectively, each retreat gave every Viking a chance to take a long hard look at his spiritual life. Among the high points of this year's retreats were the two Byzantine rite Masses celebrated in our auditorium. At these Masses retreatants had the opportunity of receiving the Blessed Sacrament under both species.

The Byzantine rite Mass was celebrated at each of the retreats by Father Vaida. Senior Rod Bakos—pictured here with Father, the servers and the chanter—explained the ceremonies and gave directions for assisting at the Mass.

Retreat booklets composed by the Guidance Department and covered by Junior Bob Ross's design were a tangible help for making a good retreat.

SOCIAL GROWTH

Christian education takes in the whole aggregate of human life, physical and spiritual, intellectual and moral, individual, domestic and social, not with a view of reducing it in any way, but in order to elevate, regulate and perfect it, in accordance with the example and teaching of Christ.

DANCES

Pope and Pat June enjoy the Viking Ballroom.

Powell and Gretta Gowan bop at a hop.

About once each month during the past year our very prosaic gym—the sight of rallies, athletic contests and regular push-up sessions—becomes the Statler's Terrace Room or even a moonlit beach on Waikiki for our terpischo-rean Vikings. Among the more prominent socials scheduled this year were the Homecoming Dance, the Student Council Dance and the Junior Class Dance. The *piece de resistance* of the Viking social year was, of course, the Senior Prom.

John Nahra, Barbara Witkoski, Margaret Julian and Tom Holzhiemer take time out to have their picture taken at the Homecoming Dance.

Marguerite Fiderio to Modica: "O-o-h! Stevey Kasper is dancing *without* the patch over his tatoo!"

Yes, if you take your oscillating modulator and connect it with a ten-volt line, I think your QRM will decrease appreciably!

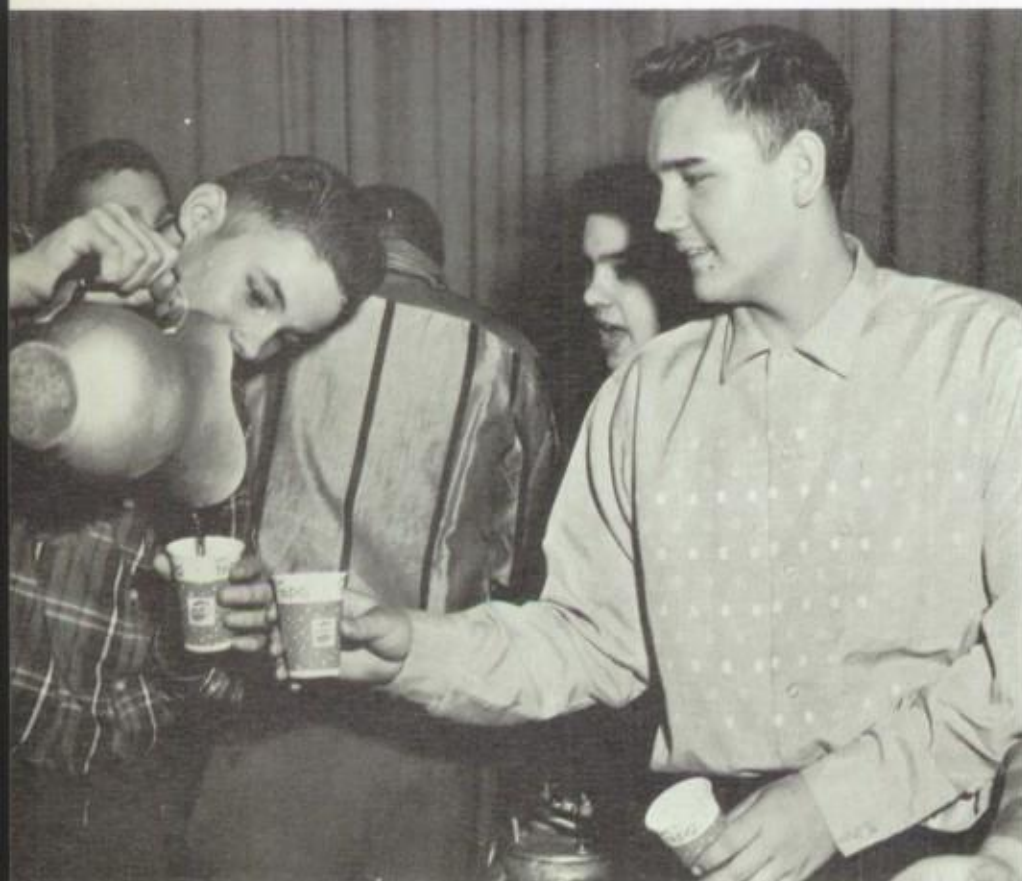

Woyma tries a patty-cake routine.

Aw Shucks—sure I can dance *and* play basketball!

The Sociables, Melle and Quigley, have one on the house while waiting for customers at a basketball hop.

The Speech and Debate Club has two primary objectives: first, it seeks to train its members in intelligent speaking and logical thinking on matters of current and academic interest. Secondly, the organization is designed to promote the scholastic reputation of St. Joseph School throughout the area. The club succeeded in accomplishing these objectives under the guidance of its moderators, Mr. Donato, Bro. Fox, S.M., and Bro. Farrell, S.M. The organization has participated in discussion, debates and individual speaking tournaments.

The 28 members of the Audio-Visual Club do extensive work for the promotion of visual education. Under the guidance of Bro. Stimac, S.M., they attempt to prove the old colloquialism, "a picture is worth 1000 words." To accomplish this goal, the boys service \$2000 worth of projectors, phonographs and recorders.

The Viking Band opened the 1959-1960 season with four days of Band Camp. The results of Band Camp were some of the most colorful half-time shows ever executed by our band. Besides marching at the football games and participating in the rallies, the band marched in the Columbus Day Parade, Saint Patrick's Day Parade, and took part in the Catholic Band Festival held at John Carroll University.

The Viking Band's concert season began with the Christmas Concert and culminated in the Annual Spring Concert.

The band proposes to educate students in the appreciation of good music and to give to each, skill and precision in playing an instrument. Even more important, members of the band learn the importance of working together as a unit and become aware of the vital role each must play in any social group.

Band Officers this year were Leo Lann, Drum Major; Joe Prijatel, President; Tom Shonauer, Student Director; Bob Eddy, Secretary; Ronald Kasulones, Transportation Manager; Joseph Girz, Librarian. The Band is under the direction of Mr. Anthony Pace and Bro. Gerard Dwyer, S.M., is the faculty moderator.

Eddy, Jackson and Girz get some personal attention from Mr. Pace at one of the Vikings' morning practice sessions.

GLEE CLUB

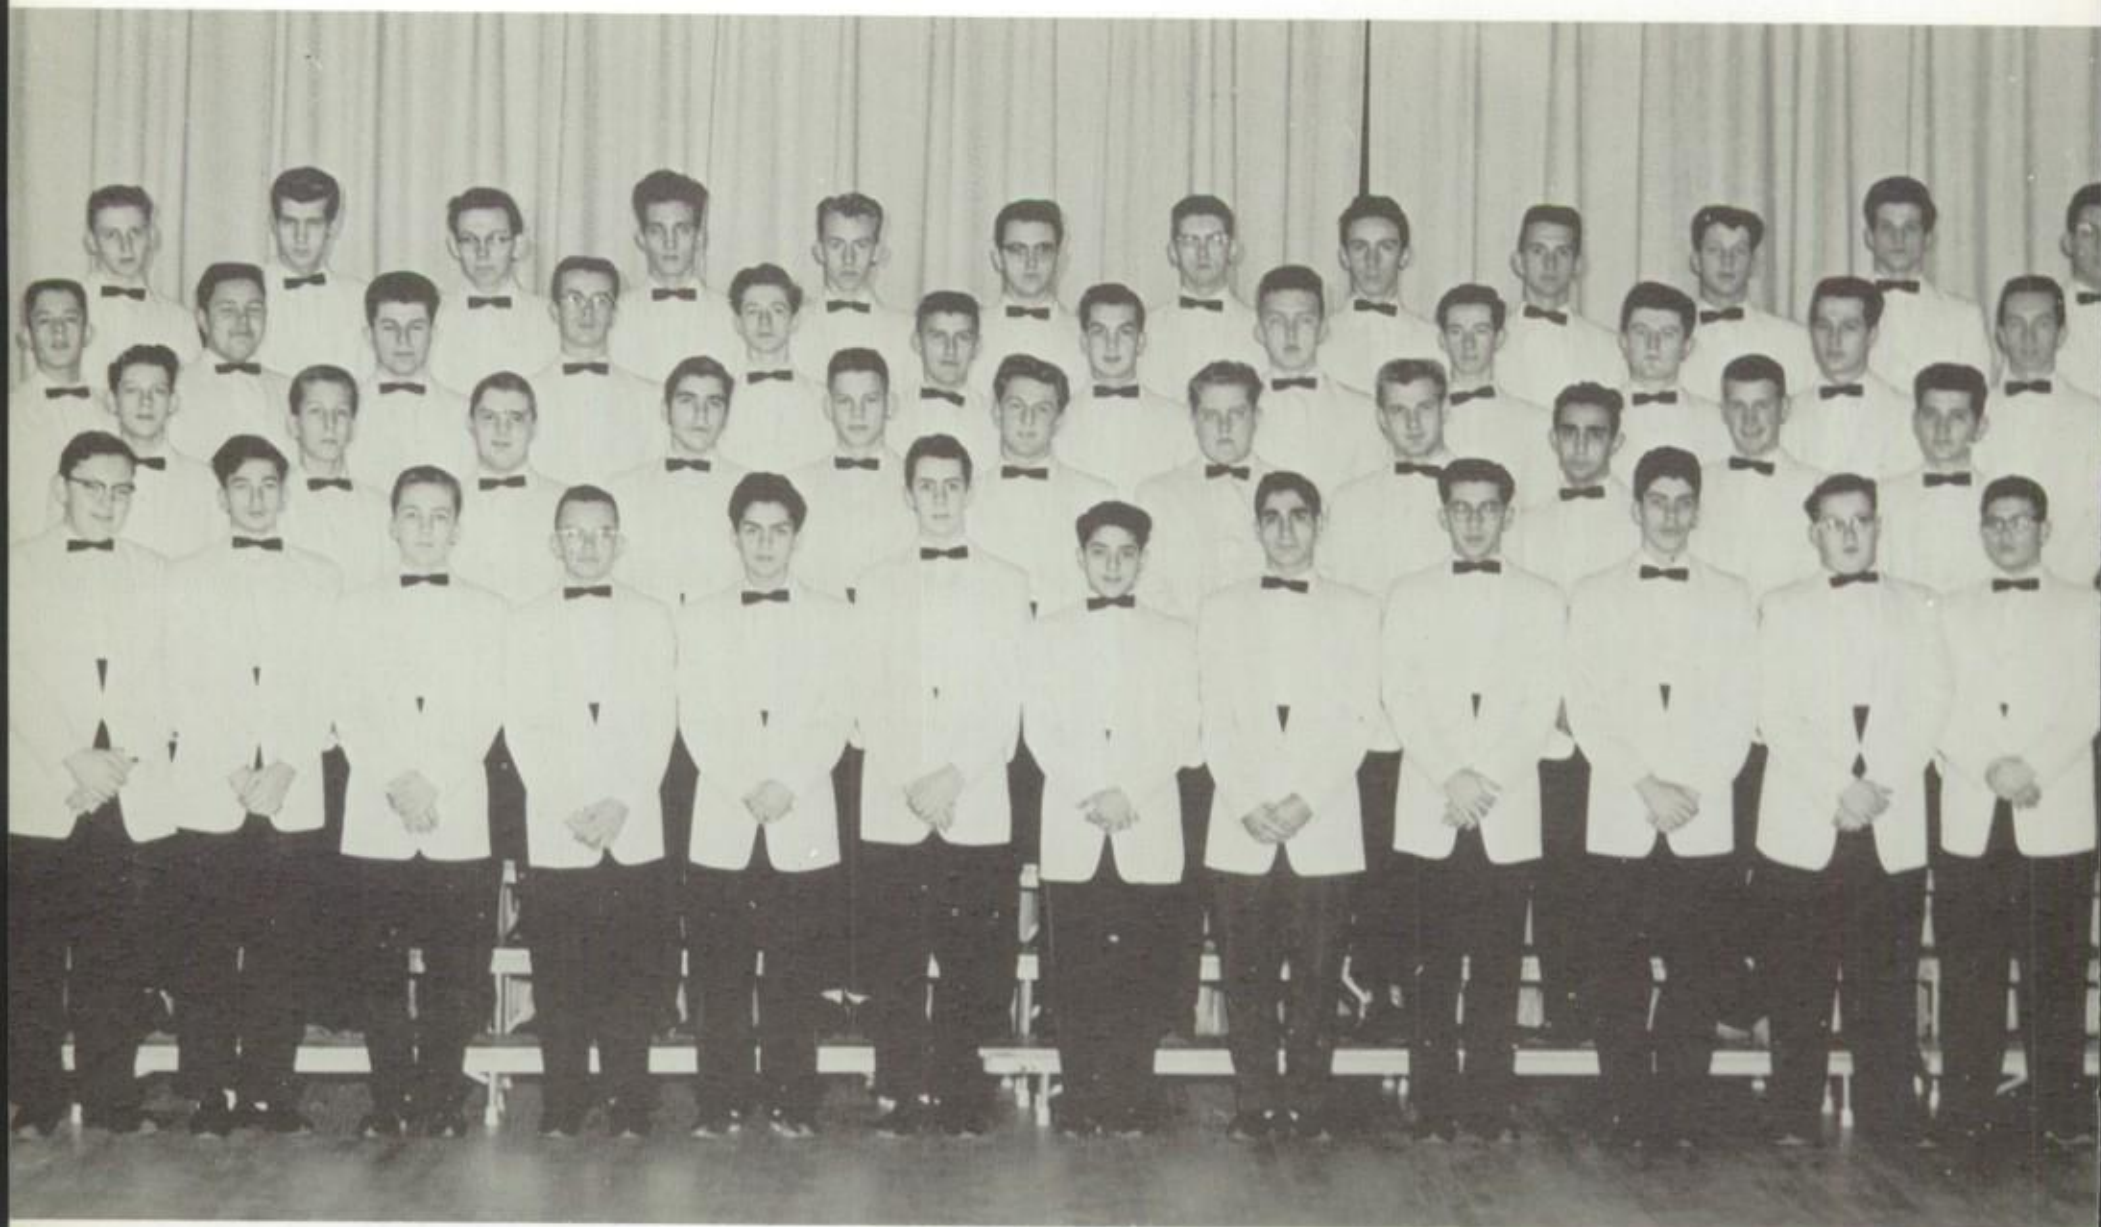

The St. Joseph Glee Club—here's the long and short of it—Dom Mancini and Terry Perko!

"Loyal and true to thee St. Joseph High," the closing words of our Alma Mater, often echoes from Room 214, home of the Viking Glee Club. Under the able direction of Bro. Philip Arron, S.M., the Glee Club has brought fame and honor to Saint Joe's. On December 19, for example, the Singing Vikings presented a program of Christmas music to a large greater Cleveland television audience.

In all, the Glee Club numbers 64 active, audible members ranging from soprano Freshies to baritone Seniors. The Club used its homeroom period to practice vocalizing. It boasts a repertoire of over 20 pieces which range from Mozart's *Ave Verum*, to old favorites like *I Wanna Girl*. This year the Club used its selections to entertain at two school assemblies, two programs for parents, two concerts and five outside performances.

An unsung hero of the Glee Club—its music librarian, Jerry Chinchar.

1960 VIKING STAFF

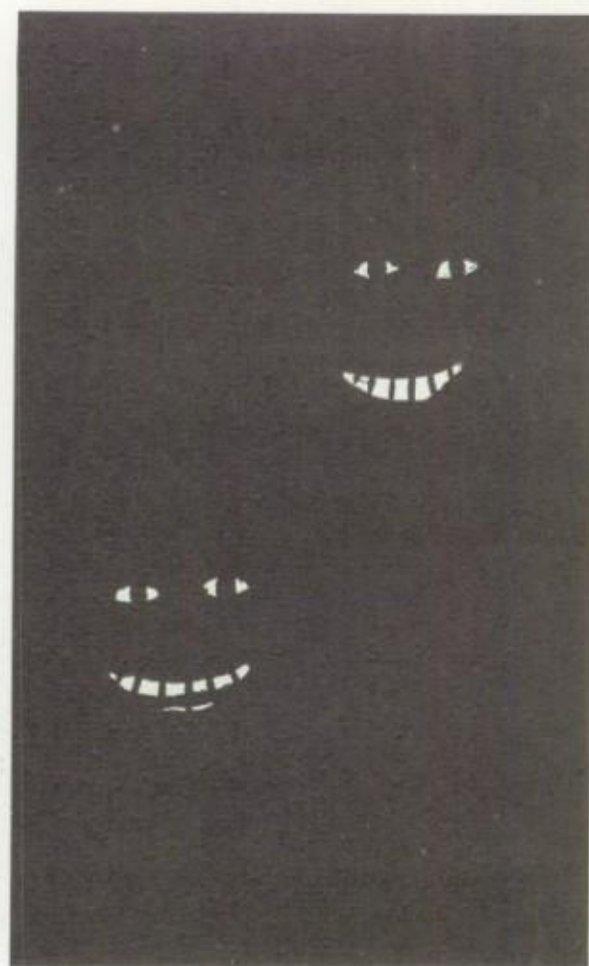

The Annual Room—after the staff's daily tussle with copy, photos, re-writes, class lists and deadlines.

The 1960 *Viking* represents the efforts of production staffs from all four divisions. The literary and art staffs planned and completed their assignments under the direction of Bro. Barrish. Senior Jim Staneluis assumed the task of editor early in the school year. Bob Mucci and Roger Murray wrote much of the introductory section while John Raymond commented on and tabulated sports results of the current interscholastic contests. Tom Bringman served as resource man and helped in innumerable ways. Juniors who helped create the 1960 *Viking* were Don Eppink and Frank Erne. Don spread his talents in many directions, proof-reading one day and re-writing articles on another. Frank burned up the typewriter keys each morning before school to get the copy in legible form. Most of the activities' data was handled by Sophomores Dan Pavsek, Tom Marinic and Harry Pekol. The art staff headed by a Kirschensteiner-Plut-Fistek triumvirate produced the mosaic designs; Junior Howard Zaller served as assistant and art consultant. A whole corps of Junior shutterbugs managed by tiny Tim Ryan took most of the informal shots that appear in this tome. Bro. Blank and his Freshman crew effectively and efficiently handled the patron drive that quite literally added color to the 1960 *Viking*.

Editor Staneluis checks Bringman's typing while Eppink dictates a picture caption.

STAMP CLUB

Stamp Club members Houser, Centanni, and Ulery discuss and compare their philatelic notes with Bro. Wagner, their moderator.

The Junior Red Cross, although in its first year at St. Joe's, thrived because of the interest of its members and its moderator, Bro. Michael Cain, S.M. The club's achievements this year included assisting in the Community Chest Drive, and distributing disaster relief pamphlets. In connection with the 1960 Viking Staff, the Junior Red Cross sent a photo album of school life to a school in Lithuania.

Organized to help the missions, the Stamp Club has sent over 100,000 stamps to them since its formation four years ago. The officers: R. Centanni, President; T. Fisteck, Vice President; R. Hauser, Secretary, and W. Ulery, Treasurer; Bro. Nicholas Wagner, Moderator, and the fifty active members meet every Tuesday and Thursday during home-room period to buy and exchange stamps and collect information on them.

Bro. Koller and his pre-flight class gather around their Mascot, the "Penguin." The clipped-winger is used in St. Joe's aviation course, an adjunct to the Radio Club's activities.

One of St. Joseph's most widely publicized extra-curriculars is the Radio Club. Having an active membership of over 100 Vikings, the Club's list of activities is long and impressive. This year the Club undertook a project it calls "Moonbounce" in which signals sent from the Radio Lab were reflected from the moon's surface and recorded three seconds later on sensitive instruments back in the lab. This year too, the Club literally took wings when some of its members began a pre-flight course for obtaining their own flying licenses as well as a liberal education in air science. Club members learning to fly took delight in contacting their "groundlings" 9000 feet below them! The Radio Club made an impression on some 34 neighboring parishes when its members visited each school to demonstrate via their own displays the latest achievements in the fields of electronics, physics and chemistry. The very active moderator of this very active club is Bro. Stimac, S.M.

BOOSTERS CLUB

The Booster Club is a corps of hard-working Vikings who go about the task of spreading school spirit through signs and posters. Although their wares vary greatly in size, shape, color and theme, they are all intended to make St. Joseph's the most spirited student body in the city. This year the club inaugurated a series of monthly silk-screen posters highlighting a religious event of that month. The club's displays for rallies and other student assemblies have been outstanding and have received many complimentary comments. Bro. Barrish, S.M., is the group's moderator and is aided by Co-Presidents John Plut and Ray Kirschensteiner, Vice President Howard Zaller and a crew of 13 members.

The Viking Boating Club is a crew of sea-faring Norsemen who exercise their training in the principles of seamanship and navigation on the high seas of Lake Erie. During the winter months the members receive instruction on safe boating through the Coast Guard Auxiliary Seamanship Course. When the sparkling blue of Lake Erie beckons in Spring, the Viking fleet sets sail on a sea of fun and adventure which includes fishing, water skiing, and skin diving. Even an occasional weekend cruise is included in the program of activities which would shiver the timbers of any landlubber — ANCHORE AWEIGH MATES! Mr. D'Alanno is commander of the Boating Club.

The newly-formed Archery Club numbers 17 members whose strong bows and numerous arrows as well as an interest in promoting good sportsmanship and healthy competition bring them together in weekly meetings. While the club is still in its formative stage, hopes are that by next year regular archery meets will be possible for club members and that dreams of interscholastic competition will become a reality.

The club's officers are Bill Jevnikar, President; Roy Kline, Vice President; Bill Moss, Secretary; and Don Louie, Treasurer. Mr. D'Alanno is moderator.

The Rifle Club, under the direction of Bro. McAnena, S.M., was organized to promote safe gun handling, sportsmanship, as well as good marksmanship. Membership is open to anyone in the school; the club had 60 members this year. The group practiced weekly at John Carroll University to qualify for National Rifle Association awards and also to prepare for local interscholastic competition.

The Mothers' Guild and Dads' Club are two of the most active organizations of St. Joseph High School. This year the Mothers' Guild with the help of the Alumni, were able to purchase a folding machine and a plate maker for the Addressograph used by our Office Staff. The Dads' Club sponsored a Father-Son Communion Mass and Breakfast and the weekly Father-Son-Faculty Bowling Club. This year, too, the Mothers and Dads joined forces to make our annual Fall Festival a grand success. A Parent-Faculty Dance sponsored by the Clubs enabled lay faculty members and parents to become better acquainted. The monthly meetings of both clubs were marked by large turnouts.

ATHLETIC GROWTH

Sports, rightly understood, are an occupation of the whole mind, and while perfecting the body as an instrument of the mind, also make the mind itself a more refined instrument for the search and communication of truth and help man to achieve that end to which all others must be subservient, the service and praise of his Creator.

—POPE PIUS XII

This East halfback has little chance for escape from the iron grips of Burrello and Bydash. A strong defensive line as well as swift-footed backs played major roles in the Vikings' successful 7-3 season.

1959 VIKING FOOTBALL

ST. JOSEPH 6 . . . EUCLID 0

On September 11, the Vikings opened their 1959 football season with a preview game against the Euclid High Panthers. The starting St. Joseph eleven displayed a potential that became a reality as the season progressed. Jack Busher tallied the only score in closing minutes of play. The final aerial attempts of the Panthers were shattered and the mighty Vikings clinched the preview with a 6-0 victory over Euclid.

ST. JOSEPH 25 . . . ERIE PREP 6

The Erie Prep eleven offered the first official challenge of the season and the Vikings met the out-of-towners with the intention of evening an old score. The victory was highlighted by the two long jaunts of Jack Busher and Len Burrello and the driving power of Denny Johnson and Bob Carey. An alert Viking defensive squad held Erie to a lone tally in the first quarter of play as the Vikings chalked up a 25-6 victory in their opener.

"I'm right behind you gang!" yells Johnson as Busher and a host of Vikings lead him through the Euclid defense.

ST. JOSEPH 6 EAST 20

An underrated but spirited Viking squad met with the Blue Bombers of East High on September 26. The team's inability to move the ball in the first half was turned into an exploding second half drive climaxed by Denny Johnson's two-yard plunge to pay-dirt. The drive was not enough however, as the Bombers handed us our first defeat.

ST. JOSEPH 12 ROCHESTER AQUINAS 2

The "Little Irish" of Aquinas High were the next to fall before the Vikings. In the third quarter the Vikings 38-yard drive ended with Jack Busher's plunge from the three-yard line. Denny Johnson scampered around right end late in the fourth quarter topping a 72-yard march. This 12-2 victory marked our second in three starts and was only a sample of what was to come.

ST. JOSEPH 46 CHANEL 0

Capitalizing on five fumbles and five interceptions the Vikings fought their way to victory as they whipped the Firebirds of Chanel 46-0. The strong forward wall of the defensive unit forced the Firebirds to take to the air. But even their aerial attempts were in vain as they were held scoreless through the game. The 46-point scoring spree was highlighted by the two tallies of Bill Valis.

Statistician Tom Rock '56 eyes the situation as halfback Reardon gets final instructions for the next play from Coach Gutbrod.

ST. JOSEPH 32 ST. EDWARD 6

The big defensive line of the Eagles planned to give our light but speedy back-field a surprise. However, St. Joseph's ability to execute clever trap plays moved full-back Jack Busher through the line for two tallies on runs of six and four yards. The Vikings' aerial attack went into action as Jerry Bydash scored on a three-yard pass from quarterback Joe Rudolph.

ST. JOSEPH 6 AKRON HOBAN 15

The Vikings then took to the road to face Akron Central. Jack Busher scored the only Viking touchdown in the first quarter on a two-yard plunge. Hoban came back in the second quarter and went ahead 7-6; however their defense weakened as the Vikings ran up a total of 220 yards but were stopped just short of the goal line on two scoring attempts. The Vikings fought through the closing seconds of play, but Akron shattered our hopes as they connected on a 28-yard pass play.

ST. JOSEPH 6 . LIMA CENTRAL CATHOLIC 0

A 0-0 deadlock was broken in the last 28 seconds of play as the Vikings defeated a powerful Lima Central squad in an action-packed final period. Due to an exceptionally muddy field both teams found the going very tough and the battle was hard fought to the finish. Capitalizing on pass interception, the Viking offense drove to the Lima 13. Quarterback Joe Rudolph then tossed a pass to Jerry Bydash, moving the ball to the six. With 28 seconds left to play, Jack Busher cracked through the line, tallying the only score of the afternoon.

ST. JOSEPH 6 . . . COLLINWOOD 20

The high-spirited Collinwood Railroaders could do no wrong as they handed the Vikings their third defeat in eight starts. Halfback Bob Carey was credited with the only Viking score, which came in the fourth quarter. The Vikings fought back desperately as Mel Melle recovered two Collinwood fumbles and Nick Tibaldi intercepted a pass. However, the Vikings' efforts were to no avail as the Railroaders downed us 20-6.

The Viking defense closes in on an Eagle halfback. The Vikings' ability to dominate the Eagles' running attack netted them a 32-6 victory over St. Ed's.

ST. JOSEPH 12 . . . EUCLID 6

Before a cheering and excited student body the mighty Vikings downed Euclid, their neighboring rivals, 12-6. In the first quarter, halfback Bob Carey opened up on an eleven-yard spring as he scored the first Viking touchdown. The Panthers fought back and tied the score in the second quarter. A hard fought defensive battle reigned through the game until the fourth quarter when Nick Tibaldi blocked a punt and the Vikings took over on the Euclid 21. The offensive unit drove 17 yards in four tries and then Len Burrello plunged over from the four to score the deciding TD.

ST. JOSEPH 22 . . . MANSFIELD 0

On November 20 St. Joseph closed a very successful season as the Vikings handed Mansfield, the former Ohio grid power, a defeat that rounded out the former champs' worst football season. The Vikings rolled over Mansfield by a 22-0 margin, upping their record to seven victories against three defeats. Tallies by Bob Carey and Denny Johnson early in the first period set the pace for the Vikings, who held Mansfield scoreless throughout the game. The final TD came in the fourth quarter when halfback Ed Reardon cracked over from the one-yard line. Johnson, who undoubtedly played the finest game of his career, added a conversion point.

Homecoming Queen Margaret Fiderio and Attendant Carol Barret joined Busher, Burrello, Royer, Melle, Roe-der and 260 other friends and players of the 1959 Viking Squad at the Football Banquet held on December 3.

Fitzpatrick runs interference as Campoliete gallops for another TD against St. Ed's.

Coaches Cirillo and Guilfoyle had good reason to be pleased with the triumphant season of the Vikings J.V. gridmen this year. The Reserves team set a new Junior Varsity school record, winning five games, losing only one and tying one. The J.V.'s only loss was to the Redmen of Parma.

Shifty Dennis Campoletti led the Reserves in points for the season with 11 touchdowns; Rich Stupica, the hard hitting quarterback had 6 to his credit. Showing great promise offensively are Guard Carl Judnick, Tackle Gene Nolan, Fullback Tim Fitzpatrick, and End Dale Masino. John Blakemore and Jim Markusic, defensive linebackers, proved the powerhouses on defense.

FROSH FOOTBALL

The Little Vikings, paced by quarterback Jack Shae, completed their 1959-1960 season with only moderate success. An extremely tough schedule and lack of experience were, at times, overpowering, but the team never lost the Viking spirit. Their desire to win was surpassed only by their spirit of sacrifice and teamwork. With continued effort they could develop into one of the better teams in the history of St. Joseph High. Outstanding this year were: offensively, halfback Olsieski, tackle Melle, and end Troychak; and defensively, Cisco and DeMell.

Sacrifice and co-operation coupled with high spirits characterized the snappy 1959-60 Varsity Basketball squad. These qualities plus the advantage of an exceptionally tall squad carried the Vikings through a very successful season, despite the toughest schedule in varsity history. Once again they were rewarded with state-wide recognition. The expert coaching of Bernie Guilfoyle and his efficient system of alternating his starting lineup produced a winning combination which captured the District and runner-up sectional titles of Cleveland.

The surprising improvements of Seniors Charlie Yurcich and Steve Kasper added immensely to the excellent performance turned in by the squad throughout the season. Offensively, Captain Jim Murphy along with Denny Templin led the way with their impressive scoring ability. Len Burrello contributed to the number of games in the victory column by his ability to raise the team's spirits and to come through with the points that really counted. Robin Thomas, Norm Stih and Hank Zolokar proved the Vikings to be just as potent on defense by offering stiff competition under the boards.

Sophomore Templin displays his ball handling versatility at the St. Stan's game.

Steve Kasper, "the one arm bandit" steals the ball and leaps high into the air tallying two points as Stih and Yurcich look on in approval.

14 Wins — 2 Losses

Great expectations for next year's Varsity Basketball were made possible by the record of the 1960 JV Squad. Ably coached by Mr. McDonough, the boys finished the season with an impressive 14 and 2 record, one of the finest in Viking basketball history. Working on an 18-game winning streak from last year, the JV basketballers rolled up 11 more victories before being defeated by an inspired Willoughby South quintet 65 to 62.

Pacing the team this year was Andy Boyle whose 87 field goals and 30 free throws added up to a season's high of 206 points and a 13-point game average. Al Sebenik compiled the best free throw percentage hitting 39 out of 53 attempts. Big man under the boards this year was Dale Masino leading the squad in both offensive and defensive rebounds.

Besides Boyle's 206 points and Masino's 105, two other players finished over the Century mark: John Finnegan and Harry Waldron with 133 and 121 points respectively.

FROSH BASKETBALL: *left to right:* T. Pacek, W. Alread, M. Gregoire, J. Shea, J. Ludvik, J. Hlabse, G. Fink, D. Fonucan, T. Herbert (Manager), Mr. J. Czernicki (Coach), W. Jansa (Manager), T. Plesec, P. Fitz Simons, W. Platis, W. Cybulski, T. Komar, J. Telzrow, A. Zalokar. *Absent:* C. Szalay.

FROSH BASKETBALL

Offense was the byword of this year's Frosh cagers. They averaged 52 points per game to their opponents' 30. The young Vikings fast breaking attack, triggered by Tony Zalokar and Bill Alread, was led by Jerry Ludvik, Jack Shea, and Phil Fitz Simons. The team was credited with 12 consecutive wins; they compiled a fine 14-2 season record.

WRESTLING

"Work is no disgrace." These words best symbolize the Viking Wrestling Team for the 1959-60 season. Work permitted the team to win six of their eleven dual meets; outstanding were seniors Bruce Szabo (7-3-1); Dave Sterlekar (7-0-3); Dom Ciricillo (6-1-3); Ed Romey and Ed Esch. These men paced the squad. Jim Schonauer (10-1-0) and Bill Pierce (11-0-0) were underclassmen who also led the Vikings in their successful season. Other capable wrestlers have received experience and instruction and again will keep St. Joseph's Wrestling Team a power in scholastic wrestling.

TENNIS

Only two regulars are returning to the 1960 Viking Tennis Squad. The season of eight official matches opened April 21st. Gary Brickman was appointed Captain this year by Coach Cirillo.

Of last year's Tennis Team regulars, a nucleus of four lettermen will be teeing up for St. Joseph this spring. Those four are Seniors Chuck Calabrese, Bruce Szabo and Robin Thomas, plus Junior Joe Szabo, who was playing in the first position at the end of last season. Several promising but as yet untested newcomers could add considerable strength to the quartet of returnees.

BOWLING

The Viking Keglers, supervised by Bro. Gensler, S.M., were faced with the challenging task of following last year's Interscholastic Bowling League championship team. With only one member of last year's squad returning, Captain Carl Pearson, the entire team had to be rebuilt. Trial roll-offs were held and Brother chose those who showed most potential. Due to inexperience, the newly formed team got off to a slow start but as the season progressed they settled down and rolled up among the top contenders in the league. The defending champions were paced by Pearson who carried a respectable 183 average and was followed closely by Jeff Beran's 180.

CHEERLEADERS

Eight stalwarts from the Freshman and Junior division met regularly during the fall and winter months to learn the fine art of making Vikings growl loud and in unison. The Cheerleaders — for these were the stalwarts that met each Monday and Wednesday evenings — did their part to make our rallies, football games, and basketball contests manifestations of Vikings spirit. Early in 1960 the Cheerleaders acquired the new look when they donned their new white, scarlet and Columbia blue uniforms. Bro. Farrell is the club moderator while Bob Shinske, an old cheerleader from Benedictine, coaches the Vikings.

MONOGRAM CLUB

The Monogram Club has become in its three years of existence at St. Joseph's an accepted and respected extracurricular organization. Club membership is opened to those boys who participate in the athletic program of the school; this year the club had 56 members. The Monogram Club this year sponsored two dances and helped organize and chaperon the Basketball Dances. Two athletic banquets were given this year; the club helped in sponsoring these. The Monogram Club gave funds to help support the school's intramural program and also donated the "Lamp of Knowledge" plaque now on display in the main corridor. In late January members of the Club assisted the Student Council in visiting the eighth grades of local schools in order to explain the educational opportunities open to Vikings. Mr. Gutbrod is moderator of the group.

STUDENTS

The Hour is momentous. Be conscious of your responsibility. Go, go forward all of you . . . Go in the forefront by your example. Go and enlighten consciences that are unformed, doubtful, hesitant. Go and teach from house to house, from family to family, from street to street, from one town to the next. Don't yield to anyone in your activity, in your fervor, in your zeal, in your spirit of truth, justice, and love.

STUDENT COUNCIL

The Student Council is one of the most influential organizations in St. Joseph. The 60 active members composed of a representative of each homeroom and important organization, the officers, Len Burrello, President; Don Modica, Vice President; Jim Murphy, Treasurer; and Tom Tifft, Secretary, and their moderator, Bro. James A. Mallin, take their responsibility of student government seriously. During the year the Council sponsored several dances which were not only a source of Christian recreation but also provided necessary funds for carrying out their work. With the aid of the Monogram Club the Council collected cash and 40 baskets of food for the needy at Thanksgiving.

Homeroom meetings held each Wednesday give Student Council representatives an opportunity to bring the ideas of the Council to the homerooms for further discussion and possible action. 3G boys in the midst of homeroom discussion: Legan, Kraft and Koenig.

1 L

So we shall reach perfect manhood, that maturity which is proportioned to the completed growth of Christ; we are no longer to be children, no longer to be like storm-tossed sailors, driven before the wind of each new doctrine that human subtlety, human skill in fabricating lies, may propound. We are to follow the truth, in a spirit of charity, and so grow up, in everything, into due proportion with Christ our head.

—ST. PAUL
